11. **Adult Supervision Required: Exhibitor's under the age of 16 must have a parent, guardian or designated adult supervisor on the grounds or they are not permitted to ride in shows, the practice arenas or anywhere on the grounds. Designated supervisors must be 18 years of age or older. Violators may be asked to leave the Fairgrounds.**
12. **Rules Governing Junior Fair Horse Events:** Franklin County 4-H Horse Guidelines will govern all classes and events. In addition to the foregoing Rules and Regulations, Junior Fair Horse and Pony Exhibitors are subject to the Rules and Regulations stipulated in both the Junior Fair and Senior Fair Books, and publication #179 *Uniform Rules for 4-H Horse Shows*. Exhibitors are encouraged to obtain a current copy of #179 *Uniform Rules for 4-H Horse Shows* from the OSU Extension, Franklin County office.

Franklin County 4-H Horse Advisory Committee's guidelines for pattern classes: No patterns for Walk-Trot. Novice exhibitors will do patterns, and if the class requires patterns, all participants will do the pattern followed by rail work with riders going at least one direction on the rail. Judge has the option to call back top pattern riders for rail work.

13. **Family Horse Project Requirements:** Exhibitors enrolled in Family Horse Project(s) may share the animal(s) to participate in evaluation, 4-H Advisory Committee Show, the Junior Fair Show, Junior Fair Musical Freestyle, Junior Fair Versatility and Junior Fair Fun Shows. A family horse may not be entered more than once in any class in which all horses are required to enter the arena simultaneously (showmanship, western pleasure, western horsemanship, equitation). The family horse may run as many times as it has eligible family member exhibitors in any class where the horses work individually and never enter the arena as a group (contesting, reining, western riding, over fences). Only one family member may use the family horse project to participate in Junior Fair Horse Royalty or PAS. An exhibitor may exhibit two Family Horse Projects. The family horse category includes siblings, members of the same household and cousins.
14. **Shared-Horse Project Requirements: (The spirit of this rule is to help 4-H members without access to a horse, bring a horse to fair.)** Two exhibitors, each of who have **not enrolled** any other horse, may jointly enroll one horse. (**Enrolled meaning each 4-H member has submitted a horse ID form, picture of the horse and copy of a signed lease agreement prior to the April 1 horse possession date of the current year.**) The horse may be a leased horse with both exhibitors sharing the lease or the horse may be owned by one exhibitor with the other exhibitor **leasing the horse from the owner**. Exhibitors enrolled in a Shared-Horse Project may share the animal to participate in evaluations, 4-H Advisory Committee Show, the Junior Fair Show, Junior Fair Musical Freestyle, Junior Fair Versatility and Junior Fair Fun Shows. A Shared-Horse may not be entered more than once in any class in which all horses are required to enter the arena simultaneously (**Examples, but not limited to:** Showmanship, Western Pleasure, Ranch Pleasure, Western Horsemanship, Equitation). The Shared-Horse may run twice in any class where the horses work individually and both exhibitors are in the same class (**Examples, but not limited to:** Contesting, Reining,

Western Riding, Fence classes). A Shared-Horse may be used by only one exhibitor to participate in Junior Fair Horse Royalty. **A Shared-Horse may not be registered as a PAS horse trying to qualify for the State Junior Fair Horse Show. (Registered meaning completing and submitting the Out of County PAS Registration form and Horse ID form with picture.) A 4-H member participating at the county fair with a Shared-Horse Project is not eligible to qualify in a PAS show for the State Fair Horse Show with another horse.** An exhibitor with a Shared-Horse Project may only enter the Shared-Horse and is not eligible to enter two horses as described in rule 15. **If 4-H members are permitted to bring 2 horses to fair for the current year, Shared-Horse Project members are still only permitted one horse at fair.** There may be no more than two riders for a Shared-Horse.

15. **Number of Horse Exhibits:** An exhibitor may enter up to two horse project animals on Special Exhibit with the exception as noted in rule 14 that exhibitors with a Shared-Horse Project may only enter the horse that is being shared. However, because of limited barn and stall space, there may not be room for the second horse project to be exhibited (Exhibitors will be notified before fair, that the animal may not come to the fair). Positively, no one will be allowed to have more than two horses at the fair on Special Exhibit. There will be a **\$40** stall fee assessed for each horse on Special Exhibit. The **\$40** stall fee will be due with fair entries in June.
16. **Types of Riders:** All Junior Fair Horse Exhibitors must declare a riding level at the time of Junior Fair Entry – **June 3**. Junior Fair Horse exhibitors will only be allowed to ride in horse show classes at their declared riding level throughout the entire week of the current Franklin County Junior Fair. No exhibitor will be allowed to move up or down in riding level at any time during the current Franklin County Junior Fair. Show officials will excuse any Junior Fair horse exhibitor who enters the show ring in the wrong riding level class.
  - A. **Walk-Trot** – Exhibitors (the 4-H member, not horse/rider combination) who have shown in a lifetime total of 4 or less cantering classes in previous fairs, open shows, IEA or IEA type shows and/or 4-H PAS horse shows. Exhibitors must be in their 1<sup>st</sup> or 2<sup>nd</sup> year of a horse project to enter into a walk-trot class/event. Walk-trot riders have never participated in any PAS State Fair qualifying shows. Exhibitors who show in walk-trot classes are ineligible to show in any other riding classes at the current Franklin County Junior Fair. Walk-trot exhibitors are prohibited from loping/cantering their horse anytime while on the fairgrounds. Exception: If walk-trot classes are combined with novice classes, then all appropriate riders may show in the combined classes, which will be limited to walk-trot. Walk-Trot exhibitors will wear equine approved safety headgear (helmet) whenever they are riding or showing (including showmanship) their horse/pony.
  - B. **Novice** – Exhibitors (the 4-H member, not horse/rider combination) who have shown in a lifetime total of 4 or less cantering classes in previous fairs, open shows, IEA or IEA type shows and/or 4-H PAS horse shows. Exhibitors must be in their 1<sup>st</sup> through 4<sup>th</sup> year of a horse project. Novice riders have never participated in any PAS State Fair qualifying shows. Novice riders will not be permitted to participate in Equitation Over Fences, Working Hunter or any Gymkhana classes (timed events). Exception: Fun show classes designed for novice and walk-trot riders. Novice riders will not be permitted to enter Versatility program. Novice riders will be permitted to participate in Hunter Hack classes but with cross rails only. These exhibitors may be expected to show their horse in a canter or lope. Exhibitors who show as novice riders may only enter into novice classes at the current Franklin County Fair. Exception: If novice classes are combined with walk-trot classes, then all appropriate riders may show in the combined classes, but only at walk-trot. Novice riders may wear Western style hats for Western Showmanship classes but will wear equine approved headgear at all other times while riding or showing their horse.
  - C. **Age Categories** – Exhibitors who select to ride in classes for their appropriate age must ride in the same age category of classes throughout the current Franklin County Junior Fair. Riders may not enter into more than one age category class and may not ride in age category classes and walk-trot or novice classes. Entries will be divided into three approximately equal size divisions (Junior, Intermediate and Senior) based on the age of exhibitors entered. Age Category riders may wear Western style hats for Western Showmanship classes but will wear equine approved headgear at all other times while riding or showing their horse.

**\*Exceptions:**

- ◆ If an exhibitor has ever qualified to show in the State 4-H Horse Show, they are no longer a walk-trot or novice rider and must exhibit/show in the age category classes only.
- ◆ Mentally and/or physically disabled exhibitors are permitted to show in walk-trot or novice classes beyond the restrictions listed above contingent upon the approval of the horse show rules committee.
- ◆ **The Horse Advisory Committee reserves the right to lower any exhibitor to WALK/TROT status if they deem it necessary for safety.**

17. **Ponies:** A pony is 58” and under. If showing in a pony class, you may not enter a similar horse class for your age group or riding level. Ponies must be measured to determine height before showing. **Ponies will be measured during grading and exhibitor numbers will be marked PONY.**
18. **Exhibitor Numbers:** Exhibitors will be assigned an exhibitor number. The exhibitor must wear this number throughout the entire week of the fair except for those horse shows that may issue their own special exhibitor numbers. The number must be displayed whenever the rider is astride the horse, horse in hand, lunging etc. **Exhibitors are given their numbers at the completion of project grading.**
19. **Protective Headgear:** 4-H publication #179 Uniform Rules for Horse Shows edition 9/2017 states (page 6; General Rules #1) *All youth age 19 and under, participating in any 4-H equestrian activity, are required to wear properly fitted protective headgear which meets or exceeds current ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards with the chin harness securely fastened at all times when riding or driving an equine.* All junior fair exhibitors will abide by this helmet rule. It is the exhibitor and exhibitor’s legal guardian’s responsibility to provide the required equine safety-riding helmet and to insure that it fits properly. When buying protective headgear the buyer should look for the letters ASTM and SEI, which indicates that the headgear has met safety standards. **NO EXHIBITOR WILL BE ALLOWED TO ENTER THE HORSE RING WITHOUT APPROVED EQUINE PROTECTIVE HEADGEAR. Improperly fitting helmets have been blamed for inflicting injury to a fallen rider; we therefore strongly discourage swapping of safety helmets. Parents choosing to lunge their child’s horse/pony will be expected wear safety headgear as well.** Protective headgear is required whenever riding or driving an equine. Age category and Novice riders participating in a Western Showmanship class may wear a Western Style hat (Walk/Trot riders participating in Western Showmanship are required to wear protective headgear). **All riders must wear protective headgear when participating in Trail in-Hand regardless of riding level.**

Absolutely no reference to alcohol, drugs, sexual implications, sexual preference or violence will be accepted. The exhibitor will have up to 5 days after notification to turn in a different entry form, music and copy of the lyrics. If there is any question that the music may be inappropriate, pick another piece of music. The decision of the Show Committee is final and cannot be contested.

**Practice:** Practice will be held on Thursday, July 20 approximately 30 minutes following the morning fun show. Schedule for practice will be available in the announcers stand, Monday, July 17.

**Show Order and Posting:** Order of go is randomly picked; if you need to be spaced apart from someone, please notify the advisor for the Musical Freestyle Show at time of entry. Attempts will be made to honor the request, but not guaranteed. An order to go list will be posted prior to the show. Exhibitors must be waiting at the gate to enter the class. This is the exhibitor's responsibility. Please help the show run as smoothly as possible. Be on time and ready to enter the horse arena when you are called.

#### **General Rules – Musical Freestyle:**

1. Exhibitors will only be judged astride their horses, except for Ground Tie or Small Equine.
2. Exhibitors are allowed to use two (2) hands (as well as one hand or no hands). Bridles must be worn, but not necessarily used, at all times.
3. All costumes and props are subject to committee approval. No sharp items will be allowed. No smoke bombs or loud effects are to be used. If props are used, you will have a total of five minutes for set up and five minutes for removal of props. A five-point penalty will be given if time is exceeded. Horse and rider may not enter the arena until all props have been set up. Anyone sitting on the fence or entering the arena with the rider is considered a prop and must be listed on entry. A five-point penalty will be given if time is exceeded. All riders as well as anyone in the arena or sitting on the fence must wear appropriate clothing. The rider and anyone entering the arena with the horse and rider must wear boots. The Musical Freestyle Advisor reserves the right to rule on costumes, props or attire that may be inappropriate, offensive or unsafe. When costumes or props are deemed unsafe, offensive or inappropriate the exhibitor may be disqualified. Any changes or additions to props, special request or dedications must be submitted by Tuesday, July 18 using the **Musical Freestyle Change Request Form**.
4. Saddle and bridle must be from the same seat; i.e. western bridle with a western saddle and an English bridle with an English or Saddleseat saddle. If riding bareback, either English or Western bridles may be

- used. Bits must be as approved in #179 *Uniform Rules for 4-H Horse Shows* for that style of tack (bosals or snaffle bits acceptable on Western horses 5 years and younger).
5. Riders will be allowed to mount or mount and dismount their horses in the show ring.
  6. Any rider that falls from their horse or is expelled by the horse will be disqualified.
  7. Any horse that is not being controlled by the rider and/or has excessive speed not being controlled by the rider, at the judge's discretion, may be stopped, excused from the class and disqualified.
  8. Use of illegal equipment, riding without a bridle on horse, or any act of abuse to the horse will result in contestant being disqualified.
  9. The decision of the judges will be final and cannot be contested or disputed.
  10. No more than one horse in the show ring during a performance, except for the Team Class. No other animals allowed in the ring with the horse.
  11. The judge may perform a bit check at the end of each member's performance if there is a reason to doubt the bit is legal.

**Judging:** Two judges will officiate the show. Each judge will independently score each contestant. The points awarded by the two judges will be summed and the exhibitor receiving the highest total number of points will be placed first. Second highest score is second place and so on down the placing.

**No Ties:** No ties will be awarded. If there is a tie when the two judge's scores are summed the higher placing will go to the contestant that has the highest combined sum for Technical Difficulty (Judge A + Judge B). If there still is a tie the likewise sum for declared skills will determine. If these scores are the same too then Choreography / Creativity will determine. If there still is a tie then Costume and finally Crowd Appeal will be used to determine the placing. In the unlikely event that both contestants have identical combined scores in all categories then the tiebreaker will be selected via a coin toss.

**Team Class:** A team is limited to two riders. Two horses must be used. One rider per horse and it must be their own horse. Two riders are not allowed to use one horse. Exhibitors may be of any age category riding level in order to compete in this class (walk/trot and novice can not participate). Both riders must perform the 3 declared skills. Each rider is scored individually on technical difficulty and 3 declared skills. The scores will then be averaged and one final score for each of the above as well as the team score for choreography/creativity, costume and crowd appeal will be given per team. Team Class Riders may not participate in any other class.

**Questions:** Please address any questions to the Musical Freestyle advisor prior to the show.

**Musical Freestyle Classes:**

- |         |            |         |                                      |

**3 Declared Skills (25 points)** – Exhibitor must select 3 skills from choices listed on the musical freestyle entry form. Judges will score these maneuvers based on exhibitors riding ability and the horse's ability to perform. Multiple repetitions of the declared skills will be averaged (ie. once excellent and once poor would equal average).

**Choreography/Creativity (25 points)** – Exhibitor will be judged on how well the arrangement of moves are planned or put to music. Overall imagination will be considered.

Youth showing in walk-trot or novice classes throughout the fair are ineligible for versatility.
2. **Age Divisions:**

  - Senior** Versatility participants must be 15 to 18 years of age as of January 1, 2023.
3. **Guiding Rules:** The class is shown in accordance with applicable current #179 *Uniform Rules for 4-H Horse Shows* and Junior Fair General Horse Exhibitors Rules printed in the front of this department. Classes will be posted at the announcers stand.
4. **Bit Checks:** The judge will perform Bit checks before each class. Illegal Bits are unacceptable. (Entry using an illegal Bit will be permitted to participate in the class, however, they will receive a score of zero for the class(s) that the illegal Bit was used.)
5. **Ride Assistants:** Each rider may have a maximum of two assistants. Only one assistant may be helping in the ring at a given time giving assistance to the rider. Violators will be disqualified for the class following the tack change. Arena assistant must wait until announcer says go before entering the arena. (Violators will be permitted to participate in the class following the tack change, however, they will receive a score of zero). Ride assistants should refrain from leaving or going back to stall once the show has started. Ride assistants may not throw equipment into the ring once the show has started. Ride assistants cannot talk to exhibitors when in line up ready to show. Ride assistants must be identified before the competition. Only the two assistants can be within five feet of the horse and rider and are the only ones permitted to communicate with the rider. There will be a mandatory meeting for exhibitors and their assistants prior to the competition.
6. **Tack Changes:** All tack changes must be made in the ring. Riders must remain on the horse until announcer says go. The rider may not leave the ring. All changes of tack and appointments must be made within the five-minute interval between events or the entry will be disqualified. (Entry will be permitted to participate in the class following the tack change, however, they will receive a score of zero). The rider must be mounted on the horse and ready to ride at the end of the 5 minute tack change. "Ready to ride" means horse and rider are in the center of the arena, standing still and facing the announcer's stand. Arena assistant must be out of the arena by the end of the five-minute time. Show Steward and the Judge will be in the arena during the tack changes to monitor riders and rider assistants. At the end of the five-minute tack change, when all horses are in the designated area of the arena, the announcer will ask all riders to check their girths. Any rider needing their girth tightened will be allowed to have their ring assistant come into the arena and assist with tightening of the girth. Only the rider's ring assistant will be permitted to help tighten the girth. NO OTHER ADJUSTMENTS may be made to tack, clothing, etc. Judge may check the entries for proper tack and equipment.
7. **Warm Up:** There will be a two-minute warm up period allowed for horses prior to the Versatility gymkhana class.
8. **Horse and Rider:** Each rider must show in all events and must use their own horse in each event. The horse used must be the same horse for all events. Judges will place each class one through ten. First Place will receive 10 points, second nine and so on through tenth place will receive 1 Point. If there are more than 10 participating in the class, those not placing in the top ten will receive 0 points for the class. Points are totaled for all four classes to determine the overall placing.

9. **Tiebreakers:** The winner of the Versatility Class will be the horse and rider accumulating the most points in the four events combined, and lower placing will be similarly determined. In the event of a tie in the number of points, the exhibitor with the highest combined horsemanship and equitation scores will determine the placing. If a tie still exists showmanship will serve as the second tiebreaker.
10. **Showing in less than four events:** To win the Versatility Contest the horse rider combination must complete all four classes. Once a horse and rider combination does not show in a class or leaves the ring and drops out of a class they may not enter any subsequent class. The horse rider combination placing in any classes completed will stand for the classes that they completed and they will be eligible for the class rosette ribbons. Any Accumulated score will not be considered for the overall versatility award. Contestants placing lower in a class than a contestant that drops out will not be awarded a greater number of points because the contestant has dropped out of the contest.
11. **Disqualification in Gymkhana event:** Contestants that perform in the required gymkhana event but disqualify for any reason receive zero points for that event. These contestants are still eligible for the overall versatility Award. Riders must remain on their horse and in the designated area during the entire gymkhana class.
