

Planning Your Project – Pages for the 4H Project Books that do not include planning project pages.

4H Members taking the following books that do not have these pages in the front of the book are still responsible for completing these requirements. Those project books are:

Horse Nutrition – 762

Horse Training – 177

### Planning Your Project

Review your project book and break it down into sections (chapters / pages). Write your sections in the table below. As you begin to review each section, place the date next to the section.

Date Started	Project Book Sections
Example: 3/2012	Example: Chapter 1 -- pages 6 – 12

### Project Completion

Write a one-page report telling what you did and learned.
