

4-H CSI SPIN Club

Do you like a good mystery? This SPIN Club will dive into the world of forensic science and discuss how DNA is used in criminal investigations. We will begin with an overview of the structure and function of DNA and the techniques used in the lab during investigations. The week will wrap up using this information to solve a mystery.

Grades 6-8

Date: Wednesdays, November 10 and 17/December 1 and 8

Time: 6:30-8:00 p.m.

Location: Kunz-Brundige Franklin County Extension Building on the OSU Campus, 2548 Carmack Rd.
