(S-GO) PRESENTS**

JANUARY 13TH, 4:30-5:10 P.M.

YOUTH VOICES AND FOOD INSECURITY IN OHIO--WHERE DO WE GO FROM HERE?

Food justice conversations don't often include a youth voice. This presentation will provide a current overview of youth food insecurity in Ohio, discuss some current food justice youth projects, and "food for thought" for 2021. Presented by Jacqueline Kowalski, OSU Extension. Join us for a short meeting after and learn more about School Gardens of Ohio!
